

## Bergen Trauma Treatment Center

Increasing our community's responsiveness and stigma free approach to traumatized youth and families by improving quality of treatment services for youth and families impacted by trauma and providing leadership and resources on Trauma Informed Care.

### Improving Quality of Treatment Services:

- Early Screening of youth for Trauma Exposure
- Therapy Referral to Clinicians Trained in Trauma Informed Care.

### Providing Leadership and Resources:

- Professional Development/Training of Clinicians in Evidence Based Practices
- Custom tailored trainings and educational programming for school, agencies and organizations seeking to increase their understanding of how to support and assist children and families impacted by trauma.
